Practical Steps and Expert Advice to Consider When Implementing an Enterprise Risk Management Plan

**Wednesday, November 15, 2017 | MDAdvantage | 100 Franklin Corner Rd, Lawrenceville NJ
8:00 – 11:00 a.m. | Registration/Breakfast 7:30 a.m.**

This workshop is the 1st in a series of topics on Enterprise Risk Management for the medical practice. This program is designed for physicians and practice managers and will provide attendees with the information and insight necessary to assess their practice's existing operational controls, help to identify steps to set operational goals and budgets, train staff and develop effective policy and procedures for information security, employee handbooks, and more.

COULD YOUR PRACTICE BE THE NEXT HEADLINE?
*Practical Steps and Expert Advice to Consider When Implementing An
Enterprise Risk Management Plan*

Wednesday, November 15, 2017
